**Bowel cancer is the third most common cancer in the UK.  
The earlier it's found, the more effectively it can be treated.**

**If you are aged 60-74 and registered with a GP, you will automatically be sent a free kit that can detect early signs of bowel cancer. If you are 75 or over, you can request a kit by calling freephone 0800 707 60 60.**
